Chartered at New Haven August 19, 1875

New Haven was not only the place where Masonry first came into Connecticut in 1750, but the Lodge, Chapter, Council, and Commandery stood fast during the Anti-Masonic frenzy of the 1830's. It was largely through the zeal of the New Haven brethren that the lights were kept burning and continuity maintained in the Grand Bodies during that trying period. The Chapter of Rose Croix, 17<sup>o</sup> - 18<sup>o</sup>, inclusive, are the spiritual heart of Scottish Rite and emphasize that a new law, the only lasting Temple, is in the soul of man.

## GREETINGS SUBLIME PRINCES

Welcome to the New Haven Chapter of Rose Croix, which is responsible for two Scottish Rite Degrees (the 17° and 18°).

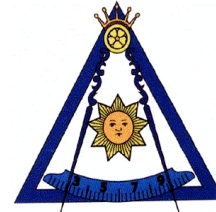

These are referred to a “philosophical degrees”, a name which may be puzzling to many even after they take the degrees. This fall, the offices of the New Haven Chapter of Rose Croix will portray the Eighteenth Degree, Knight of Rose Croix, for your edification.

In the Eighteen Degree, we are taught that the worship of a supreme being does not require a material structure, only an open mind. After you experience the degree, let’s discuss your interpretation of why it is considered “philosophical.”

From here you will progress to the Consistory, which will portray those degrees necessary for the continuation of your journey to the Thirty Second Degree, Sublime Prince of the Royal Secret.

My officers and I wish you much success in your quest for further light in Masonry.

 Fraternally  
Paul L. Chello, 33°  
Most Wise Master

## FROM THE THRICE POTENT MASTER

Greetings Brethren,

As we look forward to our 200<sup>th</sup> Anniversary in the Northern Masonic Jurisdiction, I welcome you to the Fall Class and hope that you can attend the degrees and renew old acquaintances. Although our celebrations will include many festivities from valley to jurisdiction, which I hope you will support and enjoy, it is also a time to look at our history and philosophy as Scottish Rite Masons.

A new history book will be coming from Supreme Council, but do not forget there are many resources for study of our history and degrees. The 1987 history of the NMJ by Newbury and Williams can still be found at various online stores, as well as Case’s history of the Rite in Connecticut that the Grand Lodge Library has extra copies of. But we also have access to the beginnings of SR history and the formation of the degrees. A number of works are available in reprint and are worth studying. The early degrees can also be studied in two works: the 1783 Francken Manuscript, detailing a system of 25 degrees, and the anonymous *Ordo Ab Chao*, detailing the degrees at the inception of the Supreme Council in Charleston, 1801. Other authors, such as Albert Pike, also collected versions of the “higher” degrees that are also available for study.

Another sometimes neglected area of study are the older exposures of the degrees that are worthwhile reading, so long as you take their antimasonry with a grain of salt – J. Blanchard’s *Scottish Rite Masonry Illustrated* is a good example, and also provides an interesting study of the rise of antimasonry, along with Avery Allyn’s book. As I have mentioned before, commentaries by McClenachan and Cunningham are worth reading, as well as the resources of the Scottish Rite Research Society and their journal, *Heredom*.

Our Scottish Rite degrees open the door for those that wish to study our philosophy further, but it is up to us

to actually set our foot upon the path and stop pontificating about what could be. We have the resources at hand more easily than the brothers who went before us and we should not miss the opportunity to enlighten ourselves so that we can then show true Masonic light to those around us.

A study of these works, as well as others, is a good place to start. Forming study groups will follow – we are admonished to be a source of knowledge to our new brothers, but to do so we must make the effort to educate ourselves with the study of our exoteric and esoteric wisdom, a wisdom handed down to us that has oft been neglected. It is up to us, my brothers, to preserve and expound upon our legacy so that it remains for another 200 years.

As a teaser, here is part of the lecture of the 4<sup>th</sup> degree from Francken’s 1783 MS (Kessinger reprint):

*I perceived the great circle, the triangle in the middle & its contents, together with the Blazing Star in the center of it all which dazzling my eyes, struck me with Holy awe and reverence What did the characters in the Triangle seem to signify?*

*Things beyond the reach of dim-sighted mortal, and which I dare not name.*

*We are now in Lodge, and dispense with the restraint*

*I saw the great light and comprehended it not What did you perceive in the middle thereof?*

*The ineffable name of the Great Architect of the Universe. From him Moses alone had learned the first pronunciation of it, which from thence forward he forbade others to use, in so much as the true pronunciation is now lost; and we are even now uncertain of the number of syllables it contains, but I hope to arrive one day at the knowledge of that Ineffable word.*

Join me on our search for the ineffable, where we may learn more of the 9 luminous beams and their names, the points of the blazing star and their significance, the meanings of the letter G, and what the ark contained. The door is open.....

ELM CITY PRINCES OF JERUSALEM

Chartered at New Haven August 18, 1875

The hundreds of beautiful elm trees which, a hundred years ago, shaded the Green and lined Hillhouse Avenue, as well as other streets, gave New Haven the well deserved name of "Elm City." Because of blight to the trees and redevelopment the title is less applicable today.

It was at New Haven that Masonry was first introduced into the state with organization of the present Hiram Lodge No. 1 in 1750. The Council of Princes of Jerusalem, 15° - 16°, inclusive, teaches lessons using settings based on the ancient captivity of the Hebrews and the building of the second Temple.

Dear Brethren,

The Northern Masonic Jurisdiction of the Scottish Rite is celebrating its 200th Anniversary over the next year. For two centuries, we have welcomed millions of Master Masons into the Scottish Rite. These men have become united with us in an eternal fellowship where they can learn to become better men and Masons. We continue to live this message in our valley everyday by supplying quality degree work, inspirational fellowship, and enjoyable events!

Our fall class is full of great activities. In September, we'll host a Cigar and Scotch Night at the Owl Shop and a Winery Tour at Haight Brown Vineyard. We'll also hold two candidate information nights to help grow the fall class in time for our first degrees on October 1. In November, we will host our Oktoberfest Dinner and a Murder Mystery Dinner, which will be a great night for your significant other. This year, all new 32nd Degree Masons will receive a commemorative 200th Anniversary jewel. In addition, all members can purchase this jewel from the Valley for \$25. We are continuing to fulfill Sovereign Grand Commander McNaughton goal that "Each Valley must emphasize Inspiration, Convenience, and Enjoyment in all its programs and degrees." The Membership Development Team and the entire valley are dedicated to making each of our events and degrees inspirational, convenient, and enjoyable. If you haven't been to our reunions recently, why don't you come down and see how we're turning these concepts into a reality!

The Scottish Rite degrees convey very powerful and diverse life lessons that benefit all present – no matter how many times one observes a particular degree. The degree experience is made even more meaningful when you participate as a cast member or as a member of the stage crew. A little-known benefit of being an active participant in the degree work both on stage and behind the curtain is found in the rehearsal evenings where you get to know more of the brethren in a more relaxed and enjoyable setting. If you're not already involved in our degree work and would like to be, we can certainly use your help and find something you'll enjoy doing.

The Valley of New Haven extends an invitation to all Master Masons in good standing to join us. If you know a Master Mason who is interested in learning more about the Scottish Rite, please invite him to our upcoming Masonic Information Night for good food, fellowship, and the foundations of Masonry. Furthermore, if you send his name and address to the Membership Development Committee, we can send him a packet of more information about the Rite and the "Scottish Rite for the 21st Century" DVD. Please contact me with potential candidates who would like more information at [chtirrell@gmail.com](mailto:chtirrell@gmail.com).

This degree provides us with a preview of the

through the Scottish Rite.*

**FRATERNAL GREETINGS  
FROM THE SOVEREIGN PRINCE**

Greetings, brethren!

As your Sovereign Prince I would like to warmly welcome you the mid-point of your Scottish Rite journey. The historical degree work of the Elm City Council, Princes of Jerusalem, is a link to your journey from past labors of the Lodge of Perfection and the future labors of the Chapter of Rose Croix. All will help you to complete your journey to the Consistory that will confer upon you the 32° of the Rite.

This being my first year leading a Scottish Rite body, I am extremely excited to serve all of you and am looking forward to this years great fall reunion.

I hope all have enjoyed their summer and I am looking forward to greeting and talking with each brother.

Members of this Fall Reunion will participate the 15° degree, entitled "Knight of the East." My officers and I wish you a happy and successful journey in your quest for further Masonic light.

Sincerely and fraternally,

**+** George A. Mudry, V  
Sovereign Prince

**E. G. STORER LODGE OF PERFECTION  
Chartered at New Haven August 19, 1874**

Eliphalet Gilman Storer (1793-1870) for decades served all grand bodies in Connecticut as Grand Secretary/Recorder. As such he became the most conspicuous figure in Masonic circles of Connecticut in his generation. He was Grand Commander of Knights Templar (1847-48). His name appears at the head of the list of applicants in 1848 for what was to be a transitory Lodge of Perfection at New Haven.

The Lodge of Perfection, 4<sup>o</sup> - 14<sup>o</sup> inclusive, are commonly called the Ineffable Degrees. In these eleven lessons, the candidates will observe many references, scenes, and characters which recall and amplify the three Symbolic Degrees.
